# Local Dining Guide

Web Based Dining Information Solution
Welcome to the Local Dining Guide project! This web-based software solution is designed to provide users with comprehensive dining information, making it easy for them to explore and discover local restaurants, cafes, and eateries. Whether you're a food enthusiast looking for new culinary experiences or a traveller seeking the best dining spots in town, the Local Dining Guide has got you covered.

## Usage
- *Search for Restaurants:* Use the search functionality to find dining options based on your preferences.
- *Explore Restaurant Profiles:* Click on a restaurant to view its detailed profile, including menu items and reviews.
- *Read and Write Reviews:* Share your dining experiences by leaving reviews and ratings for restaurants.
- *Save Favourites:* Create an account to save your favourite restaurants and receive personalized recommendations.
- *Get Directions:* Click on the map integration to get directions to the selected restaurant.
